 unrelated but, of course, related

See full sheet in appendix. This note is designed to show how he
 picked random numbers from the phone book and would
 repeatedly dial them.

This is the transcription of what was written on a page of your daybook dated xx/xx/xxxx (shown on previous page). This is an illustration of what was going through his mind as he engaged in the abnormal practice of phone stalking. It shows how he was apt to make connections between things that were not necessarily there.

It was very difficult for me to remove you from the Jasper House but I finally did and I have no idea where you went and lived or worked after that. We had very little contact for the next 10 months or so apart from your uninvited visits to Dakota to talk to staff or whoever was present.
