BEAVER HAIRS

415

1 Q. It's not uncommon to handle a
2 piece of paper and not leave fingerprints, is
3 it, sir?

4 A. I don't know that.

5 Q. You don't want me to go there.

6 The -- as I understand it, there was a
7 beaver hair, what was identified as a beaver
8 hair, found on the duct tape?

9 A. FBI lab identified a hair or fiber
10 from the adhesive side of the duct tape as a
11 beaver hair.

12 Q. Were you aware that Mr. Ainsworth,
13 Detective Ainsworth, went through the Ramseys'
14 closets in June of 1997 and taped all the
15 closets for hairs and that no beaver hair was
16 found?

17 A. Yes, but that's not surprising.

18 Q. Were there also brown and black
19 animal hairs found on JonBenet Ramsey's hand
20 that had never been sourced?

21 A. Brown and black animal hairs on
22 her hand that had never been sourced? This
23 is the first I've heard of that.

24 Q. How about brown cotton fibers that
25 were found on the duct tape, the cord and
