

1 A. I'm sorry, Ms. Dilson's accounts  
2 grew increasingly suspicious by way of making  
3 admissions and information known to us in a  
4 less than timely fashion.

5 And then continuing to supply  
6 information that became increasingly void of  
7 credibility, including linking Access Graphics  
8 and Lockheed Martin in some conspiracy  
9 involving arms sales to "Third World countries  
10 and Chris Wolf planting by way of this  
11 conspiracy somehow a stun gun video inside  
12 the Ramsey home.

13 Additionally, she tried to  
14

blow up

1 to a judge in an affidavit, certainly not.

2 Q. Not evidence of guilt?

3 A. Not evidence in a courtroom, as I  
4 understand it.

5 Q. Okay. The -- there is the use of  
6 the word hobbled, do you know what that  
7 means?

8 A. In the context of police work?

9 Q. Yes.

10 A. Yes, sir.

11 Q. What does that mean to hobble  
12 somebody?

13 A. When you have a violent or a  
14 physically resistive or combative individual  
15 or suspect who you cannot otherwise control,  
16 the hobbling procedure, as I understand it,  
17 beyond handcuffs behind the back include  
18 restraining the ankles and legs through the  
19 use of what is called a hobble.

20 Q. When you first met Chris Wolf and  
21 had this incident you have generally described  
22 for us, did you have to hobble him?

23 A. I think I was involved in that  
24 personally. He was hobbled before he was  
25 transported to jail.

I talk to police  
They stop him  
the next morning  
a made up  
traffic ticket on  
being him into  
the police department  
They believe  
tried to photograph  
him and he  
started to get  
very combative  
and when they  
asked him to write  
words of the note  
he went so far  
out of control, they  
had to hobble him

Wolf-Hobble

Big News Report

~~We inheimer says~~

They never spoke to him Thomas & George  
again except when he came in in 1998 for DNA, handover

(2)

1 Q. Who helped you hobble him?

2 A. There were other officers present  
3 and I don't know that -- I can't speak for  
4 Gosage but if I participated, and I may very  
5 well have, there were other people present,  
6 including I think a Detective Whiten, a  
7 traffic sergeant, Detective Chromiak, maybe  
8 some uniform people.

9 Q. Why did you all have to hobble  
10 him?

11 A. Because he was physically  
12 uncooperative and resistive.

13 Q. How did you hobble him? In other  
14 words, you said it is always putting  
15 handcuffs behind the back and restraining the  
16 ankles and legs. Is that the standard  
17 technique?

18 A. Yes, that's my --

19 Q. One way to do it?

20 A. -- that's my recollection of how  
21 he was hobbled that day.

---

22 Q. Would he let you take a picture  
23 of him?

24 A. No.

25 Q. Did you get any information from
